Triple P is for every parent!

Positive parenting is an approach to parenting that aims to promote children's development and manage children's behavior in a constructive non-hurtful way. It is based on good communication and positive attention to help children develop. Children who grow up with Positive Parenting are likely to develop their skills and feel good about themselves. They are also less likely to develop behavior problems.

If you would like to talk more about Triple P or would like to schedule an appointment to begin a series of 4 private sessions, please call Sandi Garcia @ 357-2131.
